

CERTIFICATE & DIPLOMA PROGRAMS

Our training options are designed to be fast, flexible and effective. Program options allow you to train remote or in-center, when you want to, while maintaining on-demand access to Ve-I instructors. You can also choose to train utilizing a combination of in-center and remote - allowing you to access our training center or learn from the comfort of your own home.

VE Certificate & Diploma programs typically range from 7 to 52 weeks. All of our programs are a minimum of 175 hours of core course and lab work. Upgrade options include 80, 120, 160, 200 or more hours of elective courses.

Remote Attendance: Tap directly into our training center remotely and work with our on-staff instructors, on-demand, like you would in a physical training room. Our instructors talk to students, view their workstation session, assist or share their own screen to lecture, and more.

In-Center Attendance: Students are free to attend training in our physical training center. As always, our instructors are available on demand when you need them. Ve-I provides the facility, workstation and software required to execute the coursework. Attend based on your schedule, not ours.

Ve-I is State of MA Section 30 & TAA Approved. Program is WIOA/Section 30/Trade Act Eligible,

Ve-I is a Licensed Post-Secondary Education Institution.

We are a Veteran Friendly Institution.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA).

For more information about education benefits offered by the VA, visit the official U.S. government website at <http://www.benefits.va.gov/gibill>.

Pricing is subject to revision at any time. Ve-I reserves the right to change fees, courses, topics, policies, programs, services and personnel as required. "Unlimited" refers to instructor and facility access during our normal business hours, which are Monday - Friday from 8:00AM to 5:00PM except Federal Holidays and shutdowns. Most course material can be accessed 24/7 for after hours study. Instructor support is limited to purchased training materials and labs. Remote setup assistance is included.

OPEN CAREER STUDIES (UNDECLARED)

If you're someone who has experience - but would like to fill your skills gaps without committing to one learning path - then this program is for you.

VISIBLE EDGE

TAKE YOUR PICK FROM OVER 1,100 COURSES

Our Open Career Studies (OCS) program is designed for individuals who need to fill skills gaps from a variety of different subjects without committing to a program that only focuses on a single discipline. This program allows you to take individual courses of your choosing and also receive targeted industry recognized certifications in areas from Cybersecurity to Project Management, Information Technology (IT), Web Design, Robotics, Digital Marketing, User Experience, Big Data, and more.

Already have a degree and/or years of experience? This program provides the ultimate in flexible learning options to meet your employment goals without having to retake or test out of core courses.

VISIBLE EDGE CUSTOMIZED TRAINING PLANS TARGET COUNTLESS SKILLS - IN ORDER TO MEET YOUR SPECIFIC JOB QUALIFICATION GOALS

LEARN TO...

Use top programs utilized throughout various industries - from Creo to Adobe, Microsoft, Revit, SolidWorks, Inventor, KeyShot, Wordpress, Google Analytics, and more.

Explore web design, office technologies, management skills, cybersecurity, robotics, business intelligence, the Internet of Things (IoT), big data, augmented and virtual realities, or countless other in-demand concepts.

STUDY TO EARN INDUSTRY-RECOGNIZED CERTIFICATIONS, SUCH AS:

- Additive Manufacturing
- Lean Six Sigma Green Belt
- Lean Six Sigma Healthcare
- Lean Management
- Project Management Professional (PMP)
- Certified Associate in Project Management (CAPM)
- Cisco, CompTIA, VMware, Amazon
- Certification in SolidWorks (CSWx), Revit, Inventor, Creo, 3ds Max
- Data Analytics Professional
- Windows Server & Office applications
- Certified Manufacturing Associate (CMfgA)
- Certified Manufacturing Technologist (CMfgT)
- Certified Manufacturing Expert (CMfgE)
- Total Quality Management (TQM)
- Revit Architecture Certified Professional
- AMA Content Marketing Certification
- Google Analytics Individual Qualification (GAIQ)
- Google Ads Specialist
- Google Digital Garage Certification
- Facebook, Hubspot + many more!

TOPICS INCLUDE

- 3D & 2D Graphics
AutoCAD 2D, AutoCAD Electrical, Revit, BIM, Inventor, Civil 3D, Plant 3D, Navisworks, SketchUp, SolidWorks, Creo, Keyshot, Adobe InDesign, Illustrator, Photoshop, After Effects, Video Cinematography, Editing, & Production, Animation, Augmented Reality (AR), Canva, Figma, Rendering, Visualization
- Administrative
HR Fundamentals, Business Etiquette, Conflict Management & Awkward Situations, Body Language, Interview Techniques & Resume Writing, Privacy, HIPAA for the Medical Office, GDPR Compliance, Office Organization, Document Management and Retention, Productivity & Time Management, Working from Home, Event Planning, Typing 101, Windows Fundamentals, Security Awareness
- Big Data
Data Analysis, Business Intelligence, Data Science & Deep Learning

TOPICS INCLUDE (CONT)

- Cybersecurity & IT
Cybersecurity for Manufacturing, Disaster Recovery, Computer Forensics, Internet of Things (IoT), NIST - 800-171 & CMMC Compliance, Penetration Testing/Ethical Hacking, CompTIA A+, Security+, Network+, CySA+, PenTest+, Cisco CCNA, GNS3, Virtualization w/Hyper-V & VMware, Linux, Windows OS & Server Administration, Cloud Computing - Azure & Introduction to Cloud Services, Amazon Web Services (AWS)
- Engineering & Design
Engineering Mechanics: Statics & Dynamics, System Dynamics & Controls, Materials Science, Strength of Materials & Structures, CFD, FEA, Machine Design, Physics, Fluid Mechanics, Heat Transfer, Thermodynamics, Chemistry Essentials, System Dynamics and Controls, Internal Combustion Engine Basics, Mechanical Systems Fundamentals, Materials Fundamentals, Materials Science, Sheet Metal Design, Probability & Statistics Essentials, Public Speaking for Engineers, Engineering Drawing & Graphics, GD&T Fundamentals to Advanced
- GIS
GIS & ArcGIS: ArcMap, ArcCatalog, ArcGlobe & ArcScene
- Green Technologies
LEED AP Green Associate, BD+C, Homes, ID+C, ND & O+M Certs
- Management
PMP® & CAPM® Certification Prep + Exams, Process Capability Analysis, Flowcharts & Process Mapping, Risk Management, Sales & Marketing, Salesforce Online, Negotiating Skills Essentials
- Manufacturing
Industrial Internet of Things (IIoT), Digital Manufacturing, Design for Manufacturing, Additive Mfg & Machining Basics, Plastic Part & Mold Design, Lean, Lean Mfg, Six Sigma, Agile, Project Management, Kaizen & Kanban, Manufacturing Processes & Sciences Overview: (Parts 1-4), Mastercam Lathe, Multi-Axis & Mill (Essentials & Advanced)
- Marketing
Marketing Strategies, Graphic Design, Content Marketing, SEO, Marketing Analytics, Email Marketing
- Math
Math Fundamentals, Algebra, Linear Algebra, Geometry, Trigonometry, Pre-Calculus, Calculus I-III, Differential Equations
- Microsoft Applications
Teams, Outlook, Word, Excel, PowerPoint, Access, OneNote, Forms, Planner, Visio, Publisher, Project, OneDrive, SharePoint, Lists, Stream
- Money
Blockchain and Bitcoin Fundamentals, Bookkeeping, Finance, QuickBooks, Accounting, Forensic Accounting: Fraud Investigation
- Programming
Python, Java, Drupal, DJANGO, R, PLC, Arduino, Raspberry Pi, VBA, Natural Language Processing (NLP), Robotics Operating Systems (ROS) & Robotic Process Automation (RPA), SAP, SQL, MySQL, LabVIEW, MATLAB, Mathematica
- Quality
Fundamentals, Root Cause Analysis, TQM, FMEA, Auditor & Engineer
- Robotics
Robotics Fundamentals, Electronics, Electrical Systems
- Social Media
Google, Bing, Facebook, Instagram, LinkedIn, Pinterest, YouTube, Hubspot and Twitter Ads & Marketing
- Web Design
Web Design Essentials, SEO, Copyrighting/Blogging/Content Writing, Dreamweaver, WordPress, eCommerce w/WooCommerce
