

## We train on *your* schedule.

Visible Edge Institute has been providing classroom training for over 30 years and remote training for over a decade. Our flexible, comprehensive training programs are designed to accommodate individuals of *all* skill levels.

As a Licensed Post-Secondary Educational Institution, our training provides students with hands-on experience, in-depth skills in leading applications, and industry-recognized certifications. You'll get the opportunity to earn industry-recognized certifications in all of our programs.

Train remotely or in-center, while maintaining on-demand access to our live instructors. Students can also access training lessons 24/7 for self-study.

**Remote Attendance:** Remotely tap into our training center to work directly with live instructors on-demand via phone, video call, screen sharing, email, chat or text.

**In-Center Attendance:** Choose to attend training in our physical training center on your schedule, not ours. Our renovated in-center learning environment utilizes state of the art equipment and modern learning techniques including one-on-one live instructor interactions, digital materials, labs, and project work.

You may qualify to have your entire program paid for, 100%, with no out-of-pocket costs to you. All programs are federally approved by WIOA, Section 30, Trade Adjustment Act, Vocational Rehab, and more.

## We are a Veteran Friendly Institution.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). For more information about education benefits offered by the VA, visit the official U.S. government website at <http://www.benefits.va.gov/gibill>.

# PROJECT MANAGEMENT PROFESSIONAL (PMP/CAPM)

This comprehensive program prepares you for the Project Management Professional (PMP) Certification Exam and/or the Certified Associate in Project Management (CAPM) Exam.

# VISIBLE EDGE

## GET A HEADSTART IN PROJECT MANAGEMENT AND BOOST YOUR CAREER

Utilize our program to earn one of the top certifications searched for by employers across all industries. The focus of our Project Management Professional (PMP) program is to help you master and prepare for beginner-level to high-level Project Management roles, while also offering comprehensive electives to expand your skill set beyond other traditional training.

Upon completion of the program, you'll understand how to view, navigate, create, manage, and explore information within departmental and enterprise-level systems. Additionally, you'll possess a fundamental knowledge of best practices, terminology, processes, methods, and ideas related to the Project Management industry and similar surrounding industries.

By gaining your PMP or CAPM certification, your employment marketability drastically increases - offering endless new potential for promising opportunities, workplace advancements, a boosted resume, and an optimized skill set.

As an added benefit, 100% of the exam cost & books are covered in YOUR program costs.

### WHAT ARE CAPM® & PMP® CERTIFICATIONS?

Certified Associate in Project Management (CAPM)® certifications are highly sought-after credentials issued by the Project Management Institute (PMI)® to show fundamental knowledge of terminology, processes, methods, and ideas related to the Project Management industry. The CAPM is an entry-level certification that will help you advance into a Project Management career.

Also issued by PMI® - the Project Management Professional (PMP)® certification is a globally recognized solution that helps you master advanced topics throughout this constantly growing discipline.

## GAINING YOUR PMP CERTIFICATION DEMONSTRATES TRANSFERABILITY OF EXPERTISE, SKILLS, DEDICATION, AND COMPETENCY TO LEAD PROJECTS IN ANY TYPE OF COMPANY.

### LEARN TO...

Utilize industry-standard skills and tools used by major discreet manufacturers and product development companies around the globe.

Implement Project Management processes, strategies, workflows, best practices, modern tactics, and more.
